

Underground Service Locating

In order to ensure your safety and the safety of our crew installing the tent, you are required to have all underground services and lines properly marked prior to our arrival. The services / lines required include power, phone, cable, satellite lines as well as water, sewer, irrigation pipes. Any other lines you may have on your property/ yard must also be identified.

We will not be responsible for any damage to lines which are not properly marked.

The following agencies in Saskatoon can be contacted to do their line location on your property. They should be contact at least 10 days ahead of time to ensure that the lines are marked at least one day ahead of the scheduled set-up date.

For customers out of town, you may have to contact your local utility company to get them to do the line location.

If this form is not returned to us prior to the installation date and/or the lines are not properly marked and there is any doubt about the safety of installing the tent in the specific location, our installation crew is authorized to deny the installation of the tent. You will still be responsible for the cost of the rental.

While this rule may seem harsh, it is for the safety of all. The stakes holding up the tent are between 2' and 4' long!

Thank you for your understanding and helping to ensure that that your event is not only memorable, but that it is safe.

Agency	Phone Number
Sask First Call (Sask Energy, SaskPower, Sasktel)	1-866-828-4888
Shaw Cable	306-664-2121
Saskatoon Light and Power	306-975-3056
Saskatoon City Parks (only call if event on their property)	306-975-3303

Please return this completed and signed form to us, not later than 1 week prior to your set-up date. The form can be emailed to info@prairieisle.ca.

Thank you.
